WEDDING PLANNING

HERE'S OUR GUIDE TO  
HELP WITH TIMINGS

FOUR MONTHS BEFORE  
YOUR WEDDING

We'll invite you to a menu tasting where you can try two starters, two main courses and two desserts from our wedding breakfast menu. At the tasting, you'll also meet with our chef to chat through the menu options. Whichever dishes you prefer will become the set menu for your wedding breakfast.

ONE MONTH BEFORE  
YOUR WEDDING

As you get closer to your wedding day, we'll meet with you to chat through all the plans for the day and talk about the decorations you would like.

ONE WEEK BEFORE YOUR WEDDING

In the last few days before your wedding, we'll meet to chat through the final details and you'll be introduced to your Wedding Host who will be on hand throughout your wedding day.

TRUSTED SUPPLIERS

Our wedding team have built great relationships with professional and trustworthy bands, DJs, photographers and many more. You can use our 'little white book' of suppliers, or you're welcome to bring in your own.

BAR AND DRINKS

When you choose our County Suite for your wedding, you'll enjoy access to your own private bar throughout the day. This will stay open until 1am but if your guests would like to continue the celebrations, our residents can use our night service from our pantry bar list at reception.

THE END OF THE NIGHT

Once your wedding day has drawn to a close, our team will store any belongings from the room overnight, for you to collect the following morning. Please provide a list of items to be saved, this may include copies of your menus, place cards and seating plan. These will make great memories of the wedding day.
